BANNERBOW

Template Bannerbow LARGE **9840x1000 mm**. Scale 1:2

IMPORTANT INSTRUCTIONS!
This template is made in scale 1:2. Do not resize it. The document consists of 3 layers. "Other markings" and "Cutline "are locked, do not change them. The layer "Print" is what you are going to work with. You don´t need to delete any text in this document, as they're outside of the printed area. In the colored print area is where you place your design, embedd all links such as fonts, pictures and logos. Make sure that the background color or photo expand and cover the bottom plate for bleed margin.
DO NOT USE any of the BB or BG colors for printed objects as objects in these colors will be removed during the print process! **©Copyright Bannerbow 2018**
